

To Sit At Your Feet

(Brett Carver)

(intro)

E B A (2x)

C#m A E B
Forgive me Lord for being to busy to seek You,

C#m A E B
Endless activity and service unasked for.

E B A
Fill me with stillness and a longing to see You.

C#m7 A B
Make me a place that I might sit at Your feet.

(chorus)

E B A
Let me sit in Your presence and listen,
E B A
That I might hear Your voice as it whispers to me. (I love you)

E B A
Better than service, more joyous than worship;
E B A
To sit at Your feet, and see the love in Your eyes.

Lord please save me from the duties of religion,
And to say no to my love of distraction.
Grant me a vision of a place set before You,
And give me the courage to make it my own.

(bridge)

A E B
To see the love in Your eyes.
A E B
To sit at Your feet,
A E B
To hear Your voice,
A E B A
And know Your love for me.
