

Walkin' On Water

(Brett Carver)

Em D2 C2 Em
Lord You called me, to walk with You on the water.
Em D2 C2 Em
And Lord You said: "Leave the safety behind."
Em D2 C2 Em
So I'm walkin', but Lord do You see the waves?
Em D2 C2 Em
Cares and troubles, with each step they're getting higher.

(chorus)

C G D2 Em
Walkin' on water, going where You say to go.
C G D2 Em
Walkin' on water, distractions rage all around.
C G D2 A2 Em
Walkin' on water, keeping my eyes fixed on you ... fixed on you.

Lord I'm sinking, the weight of guilt pulls me down.
Hard to see you, so many cares in the way.
I've lost my path, don't leave me out here all alone.
I'm feeling weak, but in faith take one more step.

(Instr)

Em A2 (5x)
Em

Lord please save me, take my hand and lift me up.
In Your mercy, cross the distance between us.
Just speak the word, and calm the storm that is my life.
And I will walk, keeping my eyes fixed on you.
